## General Information

---

*International Journal of Gynecology & Obstetrics* publishes articles on basic and clinical research in the fields of obstetrics and gynecology and related subjects, with emphasis on matters of worldwide interest. The journal is sponsored by the International Federation of Gynecology and Obstetrics (FIGO).

For details on submission of manuscripts please refer to the detailed Instructions to Authors in the first issue of every volume. Manuscripts will be returned to authors without review if they do not adhere to the Instructions to Authors.

The *International Journal of Gynecology & Obstetrics* is cited in the following: Biological Abstracts; Chemical Abstracts; Current Contents; EMBASE/Excerpta Medica; Index Medicus; Pascal et Francis (INIST-CNRS).

### Author enquiries

For detailed instructions on the preparation of electronic artwork, please visit <http://www.elsevier.com/artworkinstructions>. For enquiries relating to the submission of articles (including electronic submission) please visit this journal's homepage at <http://www.elsevier.com/locate/ijgo>. Contact details for questions arising after acceptance of an article, especially those relating to proofs, will be provided by the publisher. You can track accepted articles at <http://www.elsevier.com/trackarticle>. You can also check our Author FAQs at <http://www.elsevier.com/authorFAQ> and/or contact Customer Support via <http://support.elsevier.com>.

Contact details for questions arising after acceptance of an article, especially those relating to proofs, will be provided by the publisher.

For a full and complete Guide for Authors, please refer to the backmatter pages of issue, 119 no. 1. The instructions can also be found at: <http://www.elsevier.com/ijgo>

## Publication Information

---

*International Journal of Gynecology & Obstetrics* (ISSN 0020-7292). For 2012, volumes 116-119 (12 issues) are scheduled for publication. Subscription prices are available upon request from the Publisher or from the Elsevier Customer Service Department nearest you or from this journal's website (<http://www.elsevier.com/locate/ijgo>). Further information is available on this journal and other Elsevier products through Elsevier's website (<http://www.elsevier.com>). Subscriptions are accepted on a prepaid basis only and are entered on a calendar year basis. Issues are sent by standard mail (surface within Europe, air delivery outside Europe). Priority rates are available upon request. Claims for missing issues should be made within six months of the date of dispatch.

This journal and the individual contributions contained in it are protected under copyright by International Federation of Gynecology and Obstetrics, and the following terms and conditions apply to their use:

### **Photocopying**

Single photocopies of single articles may be made for personal use as allowed by national copyright laws. Permission of the Publisher and payment of a fee is required for all other photocopying, including multiple or systematic copying, copy-ing for advertising or promotional purposes, resale, and all forms of document delivery. Special rates are available for educational institutions that wish to make photocopies for non-profit educational classroom use.

For information on how to seek permission visit [www.elsevier.com/permissions](http://www.elsevier.com/permissions) or call: (+44) 1865 843830 (UK)/(+1) 215 239 3804 (USA).

### **Derivative Works**

Subscribers may reproduce tables of contents or prepare lists of articles including abstracts for internal circulation within their institutions. Permission of the Publisher is required for resale or distribution outside the institution. Permission of the Publisher is required for all other derivative works, including compilations and translations (please consult [www.elsevier.com/permissions](http://www.elsevier.com/permissions)).

### **Electronic Storage or Usage**

Permission of the Publisher is required to store or use electronically any material contained in this journal, including any article or part of an article (please consult [www.elsevier.com/permissions](http://www.elsevier.com/permissions)). Except as outlined above, no part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without prior written permission of the Publisher.

### **Notice**

No responsibility is assumed by the Publisher for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made.

Although all advertising material is expected to conform to ethical (medical) standards, inclusion in this publication does not constitute a guarantee or endorsement of the quality or value of such product or of the claims made of it by its manufacturer.
